Monsoon time... Want to hangout with friends or attend some sort of parties... but worried of spoiling **makeup**...?? **just chill..!!** Now get ready for your close-up in this monsoon season. In this article you'll get many monsoon skin care tips to make you more beautiful n charming....

Here are some easy monsoon skin care tips to keep you pretty n refreshing :

- Before applying **makeup** rub an ice cube on your face for 5 to 10 minutes to cool and refresh the skin.
- It is better not to use foundation during monsoon. You can prepare the base of your **makeup** using powder slightly. Avoid using pressed powder in monsoons as it can form patches on skin. Use the loose powder.
- Do not use eyebrow pencil during this season, Otherwise it will get smudge. You can use thick line of eyeliner and a coat or two of waterproof mascara. Don't use kajal during monsoon.
- Apply blush lightly it looks prettiest. You can use Blush in shades of pink, peach and brown.
- For your soft lips you may use a soft brown or pink shade with sheer gloss. Use powder matte cosmetics rather than creamy and glossy ones.
- Keep your hairstyles simple and easy. Long hair should be tied up into a top knot while going outdoor. You may use bangs and layered hairstyles instead.

Now enjoy this season with great joy. HAPPY MONSOON....!!!
